WE ARE AT A CROSSROAD

In the 21st century there has been a steady erosion of the foundations of values and culture. The alarm has gone out and the trumpet has sounded. The answer is for the Church to return to God through Jesus Christ, return to the priority of prayer, and embrace the authority of God's Word.

It's time for change

The spiritual atmosphere over a city can change and align with the Father's heart. Such a change can usher in a spirit of repentance to wash and cleanse His Body, the Church, followed by a new season of fruitfulness for God-ordained ministries.

...Christ also loved the church
and gave Himself for her,
that He might sanctify
and cleanse her with **THE WASHING**
of water by the word,
that He might present her to Himself a
glorious church,
not having spot or wrinkle
or any such thing,
but that she should be holy
and without blemish.

Ephesians 5:25-27

WHAT IS "THE WASHING?"

"THE **WASHING**" is a Bible reading/prayer event during which the Bible is publicly read from cover-to-cover while *continual* prayer is offered up for our churches, communities, cities, and more.

While each scheduled WASHING event lasts 90 hours, THE **WASHING** presents a far greater opportunity. We believe God can use the proclamation of His Word and prayer to impact the spiritual climate of cities, and bring about a new season of fruitfulness and unity.

GET INVOLVED!

THE **WASHING** *is a city-wide event of continuous prayer and proclamation of God's Word lasting almost four days.*

How you can participate:
Each participating church or ministry can reserve one or more two-hour blocks of time (sessions) to staff with volunteers to proclaim God's Word and pray.

- ***Read & Pray—*** 3 to 8 participants will proclaim the Word of God out loud in consecutive order. While one person is reading, the others in the group will pray. After approximately 15 minutes, the reader will pass the baton to the next reader and join the prayer group. In this fashion, the entire Bible will be proclaimed by the end of the event.
- ***Lead a Session—*** Each session needs a leader to oversee the group's readers and prayers.
- ***Lead a Watch—*** A Watch Leader oversees a six-hour time slot of three sessions. The Watch Leader's primary focus is to ensure the event runs smoothly, especially during session transitions.
- ***Host—*** Consider hosting a WASHING event at your facility.
- ***Sponsor—*** Assist with the promotion of a scheduled event and with financial needs.
